About Initiative

24x7 Care Foundation is a prominent non-profit founded by Ashish Garg. It is a self-aided organization working with Delhi Police for senior citizens for the last seven years. It is registered under Societies Registration Act 1860. In this organization, Ajay Garg ji is the chairman of the advisory board and Ashish Garg ji serves as the organization's president. We are glad to announce that we are taking care of around 20 thousand senior citizens who are registered with Delhi Police.

We are facilitating them with emergency services, 24x7 help line number, health talks, health camps, legal aid and advice, household assistance, technology assistance, entertainment programs, birthday celebrations, and engaging activities. Self-help groups among senior citizens are a way different idea introduced by our organization.
